Payout Timing

The referral reward will be paid within 30 days of Blueprint Builders receiving the final payment for the referred project. Reward is based on the total contract value.

Submission Process

To ensure proper credit, you can email us at referrals@blueprintbuildersnc.com with the referral's name and contact info or submit it on the referrals page of our website, <https://blueprintbuildersnc.com/referrals>.

Valid Referral

A referral is considered valid only if the referred person signs a contract with us and is not an existing or recent (past 24 months) client.

First Come, First Served

If the same client is referred by multiple people, the reward will go to the first person who was logged in our system.

Tax Responsibility

Rewards are taxable income. As required by the IRS, we issue Form 1099-MISC for annual earnings of \$600 or more. A form W-9 is required before payments reach this threshold.

Program Rights

Blueprint Builders reserves the right to modify or terminate this program at any time.
